“I personally just wanted to THANK YOU again, Marcus and CALIBER enterprises, for coming and talking to the students of Upward Bound. I know that you all have busy schedules however, you took the time and spoke with my students and for that I am very grateful. They were really excited to hear you guys speak on your different areas of expertise. Many of the students are still talking about what a success the event was. I hope that you all enjoyed yourself as well. Again, Thank You!!!!”
